

Architectural Designer

SP+A, an award-winning architecture, engineering, and interior design practice, is seeking an Architectural Designer with 0-5 years of experience to focus on educational/municipal/workplace projects and more.

This position will work alongside project architects and project managers in all stages of design, including programming, digital modeling, rendering, design studies, preparation of construction documents, and construction administration. The designer should be self-motivated, detail-oriented, organized, and work and design effectively as both an individual and as a team member.

Candidates will have a degree in Architecture or related field, 0-5 years of experience, strong design sense architecturally and graphically and excellent communication skills. Proficiency in Revit, CAD, Sketchup & Adobe Suite is highly desirable. SP+A is open to training the right candidate.

SP+A is in office 5 days per week. We're eager to learn more about your qualifications and interest in joining our team! Please submit your resume and portfolio to: info@silverpetrucelli.com

SP+A is committed to generating opportunities for next-generation architects, engineers and designers to tackle projects with attention to design and technical excellence. We believe the differing backgrounds and experiences of our staff enriches our design process. Appreciating the value of homegrown talent, we promote an inclusive work environment in which everyone can achieve their full potential. We are organized internally to support and mentor individual development, promoting the advancement of the entire organization. We often play revolving project roles, taking the responsibility our clients place in us very seriously. Our projects are a testament to our values and tell our story.
